

# Winter Wonderland in the Heart of Wokingham ....

**W**okingham's newest most exciting boutique Antique Rose, launched their brand new Christmas products on the 6th November at an evening event for new and existing customers. The evening was a great success with well over a hundred attendees including past mayor Cllr. Annette Drake.

The event raised nearly £200 for local charity "Give a Child a Chance". This was achieved through a % of sales and a fantastic prize draw with lots of goodies from the shop, including first prize of a £50 gift voucher which was won by local shop owner Carla Rose. There were also special offers on Christmas decorations and 10% off the fabulous range of Jan Constantine hand stitched wool cushions and stockings and Danish design Pilgrim Jewellery.

Twinkly seasonal tunes, courtesy of Frank Sinatra, played in the background whilst attendees leisurely browsed the fabulous new festive product ranges and inspirational gift ideas. With a glass of mulled wine and a mince pie in hand it was an opportunity to get in to the Christmas spirit early, ahead of the crowds

"All our regular customers have been so excited to see the shop come to life with our vintage inspired Christmas ranges, feedback has been amazing" said Georgina Hustler shop owner.

"Antique rose is my favourite shop all year round but now it has been transformed in to a magical winter wonderland full of hidden treasures and festive treats" said one regular customer.

Antique Rose launched in May this year and specialises in unique vintage inspired, shabby chic gifts, home items, jewellery and furniture for all. They are open every day from now until Christmas in Bush Walk Wokingham but hurry Christmas stocks are selling fast ....
